

PARENTS GUIDELINES AND CONDITIONS

Please note the following conditions:

- All items of clothing/belongings need to be clearly named.
- Once a child has been collected from their room by a parent, the parent is completely responsible for their child. If a parent wishes to communicate with another parent or member of staff it will be the responsibility of the parent to monitor the child at all times.
- Parents should always be responsible for their child following them through the main entrance door when entering and leaving the nursery.
- Parents should be prepared to give information on entry about themselves and whom they are collecting as sometimes staff will not be able to recognise everyone.
- Newsletters should be read by parents as important information can sometimes be missed.
- No sweets or fizzy drinks are allowed on the site of the nursery.
- A deposit of 2 weeks' fees has to be paid when registering your child. This will be refunded on departure within 4 weeks assuming the fees are up to date.
- Fees are payable in **ADVANCE**, accounts are to be cleared by the 7th of the month for those paying monthly, or by Friday for those paying weekly.
- Fees are not refundable for absence, whatever the circumstances.

We require a 4 week notice in writing if you choose to take your child out of nursery. If we do not receive this then you will be sent an invoice for the following month. Any fees not cleared upon leaving will be passed to our Debt Recovery Agent.

- Fees are payable 52 weeks of the year (including sickness, absenteeism) less the days we are shut over Christmas and New Year.

-
- Nursery Hours are from 8.00 to 6.00 pm. If a child is collected after 6.00 pm there will be a charge of £15.00 for first 15 minutes that you are late and then £5.00 for every 5 minutes after that.
- Parents are required to update information immediately - e.g. change in telephone number, business extension, address (home or place of work), as we must be able to contact the parent/carer when necessary.
- Details of your child's health are required on their return after illness - a member of the nursery staff may need to check with you and see your child before your child returns to the nursery.
- Children will not be handed to anyone other than parents unless previously notified in writing/verbally the full name of the person picking up with password and we will check ID.
- Children are encouraged to not play with their own toys at the nursery as they may be lost or damaged.
- The nursery can take no responsibility for the personal possessions of the children.
- We are advised to inform all parents and carers of the duty placed on registered facilities to report concerns relating to possible child abuse to the relevant authorities. In addition, it is the duty of the nursery to cooperate and support any investigation by external agencies; again this may be done without prior knowledge or consent. We may do so without your consent and/or without informing you.
- Parents must abide by all reasonable requests to ensure the safety of their children.
- Fees are subject to annual revision in March every year but may also be revised at other times by giving prior intimation.
