

PARENTS GUIDELINES AND CONDITIONS

Please note the following conditions:

- All items of clothing/belongings need to be clearly named.
- Once a child has been collected from their room by a parent, the parent is completely responsible for their child. If a parent wishes to communicate with another parent or member of staff it will be the responsibility of the parent to monitor the child at all times.
- Parents should always be responsible for their child following them through the main entrance door when entering and leaving the nursery.
- Parents should be prepared to give information on entry about themselves and whom they are collecting as sometimes staff will not be able to recognise everyone.
- Newsletters should be read by parents as important information can sometimes be missed.
- No sweets or fizzy drinks are allowed on the site of the nursery.
- A deposit of 2 weeks fees has to be paid when registering your child. This will be refunded on departure within 4 weeks assuming the fees are up to date.
- Fees are payable in **ADVANCE**, accounts are to be cleared by the 7th of the month for those paying monthly, or by Friday for those paying weekly.

We require a 4 week notice in writing if you choose to take your child out of nursery. If we do not receive this then you will be sent an invoice for the following month. Any fees not cleared upon leaving will be passed to our Debt Recovery Agent.

- Fees are not refundable for absence, whatever the circumstances.
- Fees are payable 52 weeks of the year (sickness, absenteeism) less the days we are closed over Christmas and New Year.

- Children are encouraged to not play with their own toys at the nursery as they may be lost or damaged.
- The nursery can take no responsibility for the personal possessions of the children.
- We are advised to inform all parents and carers of the duty placed on registered facilities to report concerns relating to possible child abuse to the relevant authorities.
