

Little Einsteins Nurseries Hillside

Spring 2016

Hillside Eco committee invites you to our Spring clear out day!

We intend on cleaning out our garden, to get rid of all the winter mess that has piled up to allow us to start planting and rejuvenating our garden. We are looking for parent/Guardian volunteers to come along and help, you can also bring your child and we can make it a big team effort. We have set a date Saturday 8th. Please let us know if you can help.

Graduation Day 21st July 2017

It is that time of year again when we sadly have to say goodbye to our school leavers. We have arranged their Graduation on 21st July 2017. Parents of graduating children are welcome to attend our graduation ceremony at

2.00pm within the nursery. Refreshments will be provided.

Spring Menus

Spring menus have been introduced and are being rotated 4 weekly – these should be displayed throughout the nursery, if you require a copy please ask.

Appropriate Outdoor Clothing.

We will be visiting the garden in all weathers can I please ask you to provide suitable clothing for your child, some parents have provided us with all in one suits which is ideal, especially for the younger children if not, can you please ensure that you have plenty of spare clothes for your child. To ensure they are getting out every day as we live in Glasgow the weather can be very unpredictable and we need to be prepared for all weathers! Please also ensure that you have provided the nursery with sun cream and a sun hat to ensure they can enjoy the nicer days!

Explores (0-1yrs) room

We would like to thank you all for your donations for the heuristic play. We have managed to collect a whole basket full for the children to start exploring. The babies have been exploring the materials and was successful.

We are still needing some materials such as tins, lids (from jars), corks and pine cones.

Investigators (2-3yrs) room

The children in the 2-3 years' room will be having a teddy bear picnic on the 14th March 2017. Children can bring their favourite teddy/toy. We will have a picnic with the sandwiches we make ourselves and fruit we cut up. Could parents kindly donate as much or little as they like as we are going to organize a trip to the bear factory to pick and make our very own investigators bear. Thank you in advance.

Discoverers (1-2 yrs.) room

For Mother's Day, the children in the 1-2 years will be taken part in a fun treasure hunt around the room/garden searching for their mum's faces. If you have not already done so, can you please provide us with a photograph.

Nursery opening hours

Can I remind parent's that the nursery opens at 8am and closes at 6pm. We are opened from 7.30am with children who have pre-booked with the Manager. Children who arrive before 8am will have to wait until the staff arrive in their room at 8am before leaving.

Children having fun at nursery

Fees

Can parents please ensure that fees are being paid on time, for most parent's, fees are to be paid in advance so we expect payments to be made for that current month by the 7th – please alter any voucher or direct debits to suit this.
